CRAFTSMANSHIP COUNTS

When the weight of the world is depending on you; strength matters. At GLI, we know that our inground vinyl liners are the base upon which your entire pool setting is built; we understand the importance of a strong foundation. That's why all GLI liners are carefully constructed and designed with the highest quality vinyl using the most sophisticated computer-aided technology and leading-edge processes. We custom build each liner to the specifications of your individual needs. GLI carefully engineers every aspect and characteristic of your pool, including steps, bar stools, and/or other features that makes each liner as unique as each customer.

G-FUSION BONDING TECHNOLOGY™

All GLI Inground Liners are created using G-Fusion Bonding Technology. This patent pending process is engineered to create a stronger, less visible seam for our custom-made vinyl liners.

BLENDED SWIMMING POOL FIXTURES

Don't make a mistake that will haunt you for years to come - the dreaded PLAIN WHITE main drain, eyeball fitting, and skimmer faceplate. These can be upgraded in new or renovated swimming pools thanks to ColorMagic. Main drains, faceplates, and eyeball fittings are available in multiple colors, in addition to clear main drains. The VGB compliant main drains come with a matching swatch of vinyl pre-installed. Learn more on page 35.

Where Will Your Pool Take You?

LET THE COLOR OF WATER HELP YOU DECIDE

Make your pool a destination spot for your family and friends by carefully selecting your brand new liner from our exciting collection of five exhilarating color categories: **Midnight Spring, Deep Blue Sea, Lagoon, Beachside, or Whitesand.**

MIDNIGHT SPRING

DEEP BLUE SEA

BEACHSIDE

WHITESAND

Midnight Spring

SOMETHING EXTRAORDINARY

Looking to transform an ordinary swimming pool into something extraordinary? These elegant, modern, and sophisticated patterns, represent our new Midnight Spring Color Collection. The handcrafted appeal of the collection's rich variety of gray, will cast a natural springlike teal when in direct sunlight. Like a natural spring, the depth of the swimming pool and darkness of the gray base will vary the color cast, ranging from a rich-midnight teal to a light spring-teal. Ordinary no more, take a swim in these natural Midnight Spring patterns.

Whitesand

SHIMMER IN THE SUN!

Crisp, bright, and pristine, this uniquely designed concept conjures tropic vistas of bleached beaches reminiscent of some of the hot spot destinations south of the equator or in the remotest sections of the Caribbean. Clear, clean lines staggered by textured and contrasted by specks of blues and grays over a bright background of white make this collection rich and fun.
